VALHALLA

Foreword

Like the Vikings of old who believed that the souls of their heroes slain in battle went to rest in Valhalla, we consign the pleasant memories of another school year to this, the Ninth Edition of the VALHALLA.

In Memory
of
Dr. John Jackson Kelly, Jr.

Dr. Kelly was superintendent of schools in Wise County for 48 years, from 1917 until his retirement in 1963. Under his leadership, the Wise County school system was the first in Virginia to organize tuition-free regular summer schools; the first to place all teachers on the same salary basis – men and women, high school and elementary teachers, white and Negro; the first to employ principals on a 12-month basis and offer a regular nine-month schedule in all schools in the system; the first to promote a five-year high school; the first to establish and maintain a county-wide vocational school and place home economics and business education in the curricula of county high schools.

Impressive as his accomplishments for the Wise County school system were, Dr. Kelly remained a leader for other reasons. He possessed integrity, strength, wisdom, and farsightedness. He was a gentleman. We can think of no finer tribute to pay him.

ALMA MATER

To Vikings bold we give our love,
Our dreams, our tributes true.
Through life's full course
  our hearts will move
To bring you honor too.
So hail to thee, O noble school:
Stand firm and strong and right;
And may we ever look to thee
For strength, love, and purity.

What is Powell Valley High School? Is it the building? Yes, in one sense of the word, Powell Valley High School is a building; but the building alone isn't enough. Is it teachers? Yes, Powell Valley High School is teachers. Is it students? Yes, it is students. Is it extracurricular activities? Yes, it is athletic contests, organizations, parades, and a multitude of other activities. Building, teachers, students, activities must all be present to make Powell Valley High School. We can say Powell Valley High School exists because we can record in this VALHALLA pictures of each facet of another school year. But the real Powell Valley High School cannot be caught on film; it is intangible. We can feel *esprit de corps.* At its best Powell Valley High School is a combination of plant, teachers, and students working together to learn facts and to achieve understandings which will help students to become well-informed citizens capable of taking their places in the complex world of the future. Powell Valley High School is a good school only to the extent that her student body and graduates have gained this knowledge and insight.

Of all our years at Powell Valley, this has truly been *Our Year.* We, as mighty Seniors, have felt as if we "ruled the roost." We have had more challenging subjects, more freedom to use our own ideas, innumerable thrilling moments such as the day our class rings came.

For each individual making up our graduating Class of 1968, the year held a little something different. For some there was the uncertain excitement of college boards, acceptances, and plans for future education. For others the year represented the final step before entering the business world. Some of us will soon be in the service of our country and others will be the homemakers of the future.

Many of us have already distinguished ourselves. One of our members is the first Merit Scholar Semi-Finalist for our high school, one traveled to Europe on tour with the All Student Band U.S.A., and all three Homecoming Queens have been selected from our class. We have won prizes for homemaking, citizenship, speaking, and achievement in important subjects.

We have been a hard working group, selling magazines for the Prom and staging it last year. Holding offices and doing necessary jobs around school this year kept us going at a fast pace.

As we stand in the graduation processional with all the outward symbols of our Seniorhood around us, the most important emblem is the mark on each of our hearts left by our memories of things that have been and our hopes of things to come.

As we began our junior year, we realized that we were nearing our high school career. This year, we have felt more responsibility and a larger place in school. We can now recall all the events that have made this year so exciting.

Our year has been filled with classes, tests, club activities, and much pleasure. Raising money for the Junior-Senior Prom was one of the highlights of the year. At last we ordered our class rings and chose our calling cards. The Prom and graduation made us realize that we are very close to being Mighty Seniors.

One hundred thirty-three strong, the sophomore class entered Powell Valley this year, feeling very proud. We are a step closer to our goal of graduation and we are beginning to realize how important an education is to a good career. We must plan our next two years very carefully. We are learning to accept more responsibilities, for tomorrow we shall rule the world.

We wish to express our appreciation to our sponsors: Mrs. Botts, Mrs. Herron, Mr. Gilliam, and Mr. Miller.

The first day at Powell Valley was a most thrilling and exciting time. We were happy to get acquainted with our new teachers.

The Eighth Grade Class hopes that we may help Powell Valley High School grow and prosper as a house of learning.

We want to thank the eighth grade sponsors for their patience and help with our problems in our first year here. We hope to be the best subfreshman class ever.

The Band, as it marches at the Bristol Band Festival

JENNIFER WILLIAMS accepts the trophy for the majorettes at the Bristol Band Festival.

THE VIKING BAND STORY

An eventful year it was for the Viking Band, one that the 1967-68 band members will not be likely to forget. There were a few things that were as usual: the practice, practice, practice; the parades, parades, parades; the tired feet; the lost music; the cold hands; the excited thrill of the first football game. But was the year different! Our new uniforms didn't arrive and didn't arrive and didn't arrive. Our instruments were stolen. It seemed almost as if a miracle had occurred when the weather improved, the uniforms finally arrived, we won a Division I, and the majorettes won second place in their class at the Bristol Band Festival. In fact, we wondered, "Who could ask for anything more?" But more came.

We won a trophy in the First Annual Lonesome Pine Festival held at Wise. In combination with the Glee Club we presented a Winter Concert. Seven band members went to All-State Band held at Pulaski. We presented our annual Spring Concert. We watched new members grow to be old pros and old pros grow to be alumni. We watched a well traveled and well seasoned musician, Jim Bob Lile, return from a tour of Europe with the All Student Band, USA. All of these activities were exciting, but the highlight of the year was none of these.

The trip to the Mardi Gras in New Orleans was the zenith, the high point of our year. We rehearsed in freezing and sub-freezing weather. We enlisted the aid of everyone in our venture. We cooked spaghetti. Mothers baked cakes, cookies, and other goodies. The Band Boosters took to the TV and Klub Kwiz became a regular Friday night affair. Weary band members marched 8.3 miles and managed to look snappy at the end. We shall always be grateful to Mr. Flanary of the Appalachia Band who ably came to our assistance at a time when we needed him. But all honor and praise go to our capable, patient band director, Mr. David Tipton.

We, the members of the 1967-1968 Powell Valley Viking Glee Club, feel that this is one of the greatest organizations in the school. It takes a great deal of time and work, but it gives us great satisfaction, and we can think of no better way of starting off the day than with a song.

Music produces love and happiness. This is why each member puts forth just a little more effort in the Glee Club.

Most mornings a student can hear music coming from the Choral Room; music produced by boys and girls who enjoy singing.

Our meetings demand much time and serious practice, but our accomplishments are well received by those who enjoy good music.

We each feel that our efforts would have been in vain without the capable guidance of our director, Mr. Jack Gibbs.

This year the SCA at Powell Valley has had as many or more projects than any SCA in the area. Some of our projects were sponsoring homecoming activities and ceremonies, a Field Day, orientating the eighth graders, sponsoring intramural basketball games, announcing assembly programs, participating in a student exchange day with Wise, and securing a planter for the school's sign.

We sent representatives to plan the Natural Tunnel District Conference and we represented our school to the best of our ability at the conference.

We are very proud of our accomplishments this year and hope that the SCA's of future years will carry on the torch we carried through 1968. We want to extend our appreciation to Mr. Garnet Gilliam for his help with the council and Mr. Horton for his co-operation in making the SCA a success this year.

Serving the interests of the students of Powell Valley, the Library Club worked to further the knowledge of its members, who promote the effective use of the library among students and faculty. The purpose of the club is to encourage the students to read, to enjoy reading, and to use the library. Our activities for the past year included an assembly program, faculty party, a Christmas party, a Title II display, and visits to other libraries.

We are indeed grateful to our sponsor and Librarian, Miss Billie Jean Scott, who with her patience and concern has directed an efficiently organized and well operated library. Miss Scott was elected vice-president of the VEA Department of School Librarians.

The Key Club of Powell Valley High School, a part of Key Club International, is a club sponsored by Kiwanis International. Its motives include developing initiative and leadership, promoting good will, providing experience in living and working together, and preparing young men for useful citizenship by serving the school and community.

A club for "key boys" with "We build" as its motto, the Key Club is a helpful service to the school and community. Some of the many Key Club projects and activities have included lining off the football field for home games, directing traffic at the District teacher's meeting, collecting and delivering food, toys, and clothing for the Christmas baskets to needy families, holding record hops for the student body, and helping the Kiwanis Club for the Singing Convention.

Our sponsor, the Kiwanis Club, has helped us very much. Special attention and a hearty thanks go out to our school sponsor, Mr. Jerry Clark, and to our Kiwanian sponsor, Mr. Arthur Whitt. Their guidance and supervision have helped us to make this a successful year.

During the past year the Powell Valley Co-ed Hi-Y Club has tried to live up to its platform, "clean speech, clean sportsmanship, and clean living." We have put into practice our club purpose, "To create, maintain, and extend throughout the home, school, and community, high standards of Christian character."

Along with attending the Lonesome Pine District Hi-Y Conference and Officer Workshop, our club was the host of the Lonesome Pine District Induction Service. Having sold "School Records" and Christmas bows, we earned money to give the annual Christmas party for local underprivileged children. With a membership of sixty-three students from the grades eight through twelve, we feel that our club has had a very active and rewarding year.

We wish to thank our Advisory Committee, Mrs. Carl Bates, Mrs. Nelson Strang, and Mrs. W. Z. Vanhook, and our faculty sponsor, Mrs. Grace Rose, for their guidance and interest in our club during the past year.

The Roman Club consists of students who are taking Latin. We attempt to present the Roman Civilization in view of other civilizations. Our annual banquet was held in Roman style with the first year students as slaves. As some of our interesting projects of the year we presented a program in assembly, made a float for the homecoming, and initiated the first year students.

We have realized that the study of Latin helps us in fulfilling our aims in education and in the professional fields we may one day enter.

We are very grateful to our sponsors, Mrs Grace Rose and Miss Lora Dingus, for their cooperation in making our club a success this year.

Through film strips, records, pronunciation drills, vocabulary studies, translating dialogues and the patience of our teacher, we expanded our knowledge of the Spanish speaking peoples and their language.

We enjoyed giving an assembly program to the student body in March.

The French Club of Powell Valley High School consists of students taking French I and French II and several honorary members. This year the French Club participated in the Homecoming Parade, presented an assembly program, and sponsored a dance open to all Powell Valley students.

The French Club traditionally presents a program entitled "Mardi Gras" for its assembly each February. This year's skit was a comedy dealing with Mardi Gras as it might be in 1998. Featured this year were Henry Kedzierski, Doris Mainous, Kenny Blevins, Robert Carroll, and Sue Ellen Tate.

The purpose of the club is to promote further study of the French language. The members of the French Club would like to express their appreciation to Mrs. Delores Pippin for her capable leadership and patience.

The Bi-Phy-Chem Club, better known as the Science Club, was created six years ago. This past year our club consisted of approximately forty-nine members. Members are drawn from those students who are taking or who have previously taken biology, physics, or chemistry. With the purpose of promoting scientific ideas and interest, we feel that our club is beneficial to any student interested in a scientific field.

The Science Club conducted the annual Science Fair, held in February. Visitors from the surrounding area came to view the projects on which the students had expended much time and effort.

We sincerely thank our sponsors for the time they have so willingly devoted to us during the year. They played a large part in making this another informative year for the members of the Bi-Phy-Chem Club of Powell Valley High School.

At the beginning of the school year, we made our first speeches, telling something about ourselves, our interests, and our ambitions. The purpose was to help everyone overcome stage fright.

As the days went by, we learned many new things and had much fun and work.

On December 6, we presented our first play entitled "Cathy's Choice." The play was a success, thanks to the work and effort of Mrs. Rose. Although we are a small class in number, we carry a "big stick."

Speech is the most entertaining and, we feel, the most helpful course in high school. The students exchange ideas on every topic that one can discuss. The Speech Club appreciates the helpful guidance and patience which Mrs. Grace Rose, our sponsor, gave to the members of her class.

Vocational Office Training is offered to senior students who intend to make business their career. In V.O.T. class one may learn about methods of filing, handling the mail, transportation, or using duplicators, calculators, and adding machines.

V.O.T. is also a part-time work program. A student may work in a local office to obtain an additional credit along with the credit that is given for class work. One advantage of this is that it gives the student the experience of working in an office. Another advantage is that it gives the student an opportunity to use the knowledge acquired in the classroom.

Under the very capable guidance of our sponsor, Miss Siphers, we prepare ourselves for a future in the ever-expanding world of business.

The students taking Distributive Education are preparing for a future in the business world. From participation in D.E. we acquire skills in the fields of administration, advertising, marketing, and consumer education. By applying the methods we learn in class to our daily employment we endeavor to upgrade the standards of our work and prepare ourselves for our professions.

The Future Homemakers of America is the national organization for girls who have studied or are studying homemaking in high school. Our motto, "Toward New Horizons" means that preparing for the future begins now and the youth of today must be prepared to meet the challenge of tomorrow's world.

The girls in our club may work for degrees of achievement: first year, Junior Homemaker Degree; second year, Chapter Homemaker Degree; and third year, State Homemaker Degree.

Our theme this year has been "Citizenship Challenges You." Several projects carried out this theme.

Our capable sponsor, Mrs. Kathleen Horne, helped us attain our goals.

This has been the best year for the 4-H since the first year of its organization at Powell Valley High School. This year's club increased greatly in membership due to better and more interesting activities and meetings. Our projects have been a great success and a source of pride to us and benefit to the community.

Much of our success was due to the excellent leadership of our club sponsor Mr. Jerry Clark.

The Girl's Athletic Association helps girls develop patterns of wholesome and effective behavior in areas of human relations, use of leisure time, and the qualities which contribute to successful living.

In order to be a member of the GAA, a girl must have an 80 average in her academic work, 85 average in physical education, and a genuine interest in sports.

We sold Viking stickers to raise money for our club, played basketball mornings before school and sponsored various sports activities.

We wish to express our appreciation to our sponsor, Mrs. Orpha Chandler, for her guidance and leadership.

The Varsity Club consists of those people who have lettered in inter-scholastic sports or who have been managers or cheerleaders. The purpose of giving letters is to promote better sportsmanship and understanding among all students and athletes. The recipients of these letters have devoted much of their time in order to earn them. They are proud of the monogram and the organization. Membership in the Varsity Club is certainly a great honor to attain.

THE VIKING STORY

A great football team is not measured by the number of games won or lost. A great team is built on spirit, desire, and the determination. Even with a 1-9 record it was difficult to find fault with the 1967 Vikings. The team, although, beset by injuries, never lost heart.

Randy Edens was selected by the coaches of the Lonesome Pine District to receive the Lonesome Pine Good Sportsmanship Award. Another honored player was Spencer Quesenberry, who was selected as defensive end for the All District Team. Randy Edens and Spencer Quesenberry were selected for positions on the second team along with Gary Mahan and Johnny Sanders, who received honorable mention for the Knoxville 'News-Sentinel's All District Team.

Our coaches, Cecil Maddux and Don Campbell, are the best and our Vikings are a great team.

The Viking Basketball Story

Bringing home honors became "old hat" for the 1967-68 Viking basketball team. Along with a 21-4 record, the Vikings brought home the runner-up trophy and the Lonesome Pine District trophy. Shine was added to the season by the exploits of individual players especially the new 40 point record set by Randy Fleenor on the night he broke the 1000 point mark. Coach Don Campbell, although he loses 5 excellent seniors, has fine material coming up and the future is indeed bright for Powell Valley.
